Lauren Kate : Waterfall (Teardrop) before purchasing it in order to gage whether or not it would be worth my time, and all praised Waterfall (Teardrop):

1 of 1 people found the following review helpful. JoyfulBy drlarrymcThis book is almost as compelling as the first one. Did I like the ending of Eureka's story? Yes and no. I thought the ending did her poetic justice, but the selfish part of me just wanted the Disney version. I loved that the authoress did not leave out any gruesome details, and I enjoyed the grotesque beauty of Eureka. The plot was unpredictable, and that's one of the reasons it was such a good book.0 of 0 people found the following review helpful. Awosomeeee ReadddBy Kindle CustomerLauren Kate has done it again!!! From the beginning to the end I was entranced. Thank You Ms Kate! You Rock!0 of 0 people found the following review helpful. I was thoroughly confused at the end of the book ...By CustomerI was thoroughly confused at the end of the book. At the end, I was already asking, "when does the next book come out?" And then I realized that that was it and that it just randomly ended. I really don't know what happened at the end...

From the #1 New York Times bestselling author of the FALLEN series comes WATERFALL, a novel about love, betrayal, and epic consequences—a world-altering tale told by a girl whose tears have the power to raise the lost continent of Atlantis. This second novel in the Teardrop series is intensely romantic, with strong, hot main characters caught up in a thrilling fantastical love triangle. For readers who love Lauren Kate and the worlds of Alyson Noël, P. C. Cast, Maggie Stiefvater, and Veronica Rossi. Eureka's tears have flooded the earth, and now Atlantis is rising, bringing with it its evil king, Atlas. Eureka is the only one who can stop him, but first she must learn how to fight. She travels across the ocean with Cat, her family, and Ander, the gorgeous and mysterious Seedbearer who promises to help her find Solon, an enigmatic lost Seedbearer who knows how to defeat Atlas. Once on land, Eureka is taunted by gossipwitches, a group of displaced Atlantean sorceresses, and ambushed by locals struggling to survive amid the destruction her tears have wrought. And she feels no closer to facing Atlas or saving the world when Solon lets slip that love is Ander's weakness, and that any affection he feels toward her makes him age faster. Trying to make sense of the dark world her sorrow has created, Eureka receives startling insight from an enchanted pond. Her bewildering reflection reveals a soul-crushing secret: if she's strong enough, Eureka can draw on this knowledge to defeat Atlas—unless her broken heart is just what he needs to fuel his rising kingdom. . . . In Waterfall, Eureka has the chance to save the world. But she'll have to give up everything—even love.

About the Author LAUREN KATE is the internationally bestselling author of the TEARDROP and FALLEN series. Her books have been translated into more than thirty languages. She lives in Los Angeles. Visit Lauren online at
